The purpose of the public hearing was to propose a new District Facility Plan developed by the Murray Independent School's Local Planning Committee. The Local Planning Committee (LPC) voted 13-0 in favor of the proposed new plan and the Board voted 5-0 to approve the new plan. There were 12 people at the hearing exclusive of the hearing officer. COMMENTS

Mr. Bob Rogers called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was also noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan that includes: renovation items at Murray High School, Murray Elementary, Murray Middle School, ATC, and Board Office; Interactive Boards and discretionary projects; the auxiliary gym at Murray High School. It was noted that these projects would be done as capital outlay was available in small projects each year.

The floor was opened to those who wished to make a statement. No persons spoke. Those in attendance were pleased with our plan.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Murray Independent Schools Local Planning Committee and adopted by the Murray Board of Education be approved as the District Facility Plan for the Murray Independent School District. A copy of the new plan is attached.
